

Oak Forest Elementary School
Every child, every chance, every day.
Andrew Casler, Principal
Rachel Folse, Assistant Principal
Carrie Botello, Magnet Coordinator
David Church, Teacher Specialist

Accessing Student Digital Resources

HISD students navigate to: <https://www.houstonisd.org/hub>

When prompted for a username and password, students will enter their network credentials. Please note, when logging in from outside of the district's network, students must specify their domain in the same field as their usernames. The student domain is STUDENT. An example of a student's username would appear as this: STUDENT\S1234567. There is no need to add anything to student passwords.

In the top navigation bar, click on Digital Resources.

Got an issue with the HUB?
Click the button below to submit a ticket which will be automatically assigned to the HUB Admins.

If this page pops up, click the following button:

This is where students will find their apps.

1401 West 43rd Street Houston, Texas 77018
713-613-2536 phone 713-613-2244 fax

K-2 have access to DreamBox.

3-5 have access to Imagine Math.

All students have access to:

- OnTrack. Students can access their assessment scores throughout the year. The assessments include the Universal Screener/STAR math and reading tests, the benchmark running record test, TELPAS test, STAAR test, and district math snapshots.
- myON. Online book library. Students will initially have to complete an assessment to determine their reading level for this app.
- QuaverMusic. HISD's music curriculum. So much students can do here, including create their own music! (Note: QuaverMusic requires Flash).
